VISION & MISSION

NV SHOPPE has the distinction of being the largest ONLINE & OFFLINE retailer in the country. NV SHOPPE's commitment to "Make the lives Better" We are planning to touch every corner across Pan India with our 2000+ Stores, VENDOR App & FRANCHISE Module in coming years. Our target is to reach more than 10 crore users. Very soon NV Shoppe has landed in the Modern Trade & Retail sector. Here you will get the same products at the lowest prices. Through Direct Selling, our Members get a handsome profit share. We have our presence in the market both online and offline modes so that we can provide our products & services directly to your homes in every corner of the country. Our goal is to deliver quality and variety to create a better everyday life Experience for our associates & to spread the same in all the continents of the world.
